

was “CU Easy” effective June 2nd the new program is called “It’s Me 247”
Please read the following information and then see below for how to login for the FIRST
time to the NEW “It’s Me 247” online banking and bill pay. Following that is a list of
“It’s Me 247” self service features that are now available

<p><u>Online Banking</u> <u>Mobile Banking</u> <u> & Online Account</u> <u>History</u></p> <p><u>Mobile Apps:</u> Apple - mobile apps will be available as soon as Apple sends you an update notice and you do the update. Android users - watch the Google store for the new app. Google requires you to actually delete your current app and install the new one. We expect these both to occur June 4th or soon after.</p>	<p><u>Online and Mobile Banking</u> will not be available beginning Thursday evening 5/31, but online banking will be back online by Saturday 6/2. When they do resume, they will be a new format called It’s Me 247 as a part of our new system. You will need to sign in just like you would as a first-time user. Detailed instructions are below on how to set your new unique login ID, password and security questions.</p> <p><u>To view It’s Me 247 how to videos</u> go to https://obc.itsme247.com/087/help/help-videos/. Please remember that all functions, such as online elections may not apply to 1st Community users.</p> <p><u>Bill Pay</u> - Our Bill Pay program will remain the same, but will have a new name “It’s Me 247 Online Bill Pay” All Bill Pay information will transfer over and the service will continue without interruption. Payments due on 6/1 through 6/3 will be processed as usual.</p> <p><u>SMART TIP</u> – Although all payees should convert over, it would be wise to print a copy of your current payees in case some payee data does not transition over.</p> <p><u>Account History</u> - Member access to account history, transactions and online check copies prior to 6/1 will no longer be available once we go online with It’s Me 247 on 6/2. After 6/1 all accounts will begin accumulating 18 months of transaction, statement and check copy history to be available again through It’s Me 247 online banking.</p> <p><u>Information that you set up online</u> such as Scheduled Transfers, Account Alerts and Nicknames will need to be re-established in It’s Me 247 online banking. Accounts you set up for Cross-Account transfers that do not appear after the conversion will need to be reset up by Credit Union staff, so please contact us by phone or email us securely through It’s Me 247. SMART TIP - make screen shots of any current info you have set up in online banking at this time and store it in a secure location.</p> <p><u>Cross Account Transfers</u> - One-time cross account transfers to another account can be done using the member’s account number, the first 3 characters of the receiving member’s last name and the suffix of the account (savings, checking, club) that the money should go in to. For an account to automatically appear in your “Transfer to” list you will need to contact Credit Union staff to add the account.</p>
