SUPERVISORY COMMITTEE REPORT

Last February, the 1st Community Federal Credit Union Board of Directors appointed five volunteers from the Credit Union membership to serve a one-year term on our Supervisory Committee.

The Committee has two primary responsibilities. First, it provides continuing assurance that your Credit Union is operating in compliance with the policies and procedures established by the Board and Credit Union Management. Secondly, it ensures compliance with Credit Union policies as set forth by federal, state and Credit Union regulatory agencies.

In the past year, the Committee reviewed a host of Credit Union programs and activities, to include board policies, investments, loans, technology and security practices, fraud monitoring and key ratios. The Committee continues to work with DoerenMayhew to perform the annual external audit. We are pleased to report that, once again, 1st Community's financial statements present fairly in all material respects, the financial position of the credit union as of June 30, 2023 and the results of operations and its cash flows for the year then ended in accordance with generally accepted accounting principles.

Here at 1st Community, our first priority is you, the member. Another of the Supervisory Committee's responsibilities is to assist members who may have experienced problems with their accounts. We stand ready to assist you, however and whenever necessary. You can contact us by calling Sylvia Schkade at 325/653-1465 or 800/749-1465, or by writing to us at the following address.

PRESIDENT'S REPORT

My staff and I welcome you to the 71st Annual Meeting of 1st Community FCU. We want to take this opportunity to thank you, the members, for your continued support of your financial institution.

1st Community is considered "well capitalized" by the National Credit Union Administration. We received another excellent 5-Star rating from Bauer Financial. Bauer Financial has been rating banks and credit unions since 1983 and their creed is "no institution pays for its rating nor can they elude it".

The employees and Board of 1st Community are continuously looking for ways to better serve you. 2023 was another great year. We ended the year again as the #1 local lender for autos in the Concho Valley and continue to make a name for ourselves in the Home Improvement, Home Equity and Home Loan markets and Business Accounts. Our Business & Mortgage Center located at 4141 College Hills Boulevard across the street from our main office had a very good year.

This year credit union members received \$61,000 in Cash Back rewards on our VISA Rewards credit cards issued through the Credit Union. To reward depositors, we have been running a 7-month high-rate Term Share Certificate Special with a dividend rate of 4.94% and 5.05% APY. The FREE (No Service Charge) Checking account we added last year was a great hit, as was the early posting of government and major payroll deposits to accounts. Our GAP Insurance has been expanded to include balloon auto loans and with the increase in rates, balloon auto loans are a great way to make car payments affordable.

We are in the process of adopting Critical Text Alerts to alert you about critical activity or an issue with your account. 1st Community uses state-of-the-art technology to protect your data. However, with hacker's ability to purchase your personal information on the dark web and the hacker's ability to impersonate you, we have decided to develop these critical alerts to add an additional layer of protection for you. It is our hope that the messages you receive from us will be a result of activity you authorized. However, if you do not recognize the activity described, please contact us immediately.

We believe our Mission Statement says it all: *"The mission of 1st Community Federal Credit Union is people helping people achieve their financial goals."* 1st Community was once again a major supporter of the community in 2023. We supported the United Way with pledges and fundraisers totaling \$17,102. 1st Community was again a major sponsor for the DESK program in San Angelo in 2023. DESK stands for Donate Educational Supplies for Kids. Through donations, a golf tournament and other fundraising events, DESK was able to donate over \$77,000 in monetary support to S.A.I.S.D. students. We look forward to supporting the communities we serve and most especially you our members, in 2024.

We recently held our 18th Annual Recognition Dinner recognizing six employees for their 5-year milestone, two employees for their 15-year milestone, two employees for their 20-year milestone, three employees for their 25-year milestone and one employee for their 30-year milestone. We are fortunate to have such a great staff. We have 15 employees who have been here between 5 and 10 years; 6 between 10 and 15 years; 9 between 15 and 20 years; 6 between 20 and 25 years; 4 between 25 and 30 years; 3 between 30 and 35 years and 2 employees over 40 years! The employees are what make your credit union the best Financial Institution it can be.
