## SUPERVISORY COMMITTEE REPORT

Last February, the 1<sup>st</sup> Community Federal Credit Union Board of Directors appointed five volunteers from the Credit Union membership to serve a one-year term on our Supervisory Committee.

The Committee has two primary responsibilities. First, it provides continuing assurance that your Credit Union is operating in compliance with the policies and procedures established by the Board and Credit Union Management. Secondly, it ensures compliance with Credit Union policies as set forth by federal, state and Credit Union regulatory agencies.

In the past year, the Committee reviewed a host of Credit Union programs and activities, to include board policies, investments, loans, technology and security practices, fraud monitoring and key ratios. The Committee continues to work with DoerenMayhew to perform the annual external audit. We are pleased to report that, once again, 1st Community's financial statements present fairly in all material respects, the financial position of the credit union as of June 30, 2024 and 2025 and the results of operations and its cash flows for the year then ended in accordance with generally accepted accounting principles.

Here at 1<sup>st</sup> Community, our first priority is you, the member. Another of the Supervisory Committee's responsibilities is to assist members who may have experienced problems with their accounts. We stand ready to assist you, however and whenever necessary. You can contact us by calling Dawn Kalina at 325-653-1465 or 800-749-1465, or by writing to us at the following address.

## PRESIDENT'S REPORT

My staff and I welcome you to the 73rd Annual Meeting of 1<sup>st</sup> Community FCU. We want to take this opportunity to thank you, the members, for your continued support of your financial institution.

1<sup>st</sup> Community is considered “well capitalized” by the National Credit Union Administration. We received another excellent 5-Star rating from Bauer Financial. Bauer Financial has been rating banks and credit unions since 1983 and their creed is “no institution pays for its rating, nor can they elude it”.

The employees and Board of 1<sup>st</sup> Community are continuously looking for ways to better serve you. 2025 was another great year. We ended the year again as the #1 Local Auto Lender in the Concho Valley and continue to make a name for ourselves in the Home Improvement, Home Equity and Home Loan markets and Business Accounts. Our Business & Mortgage Center located at 4141 College Hills Boulevard, across the street from our main office, had a very good year.

This year credit union members received over \$70,000 in Cash Back rewards on our VISA Rewards credit cards issued through the Credit Union. Our FREE (No Service Charge) Checking account options are always a great hit, as is the early posting of government and major payroll deposits to accounts. Our GAP Insurance has been expanded to include balloon auto loans and with the increase in rates, balloon auto loans are a great way to make car payments affordable. As in the past, 1<sup>st</sup> Community stepped up right away to ensure all government employees with direct deposit to the Credit Union received their funds on time even if they were affected by the government shutdown.

We provide Critical Text Alerts to alert you about critical activity or an issue with your account. 1<sup>st</sup> Community uses state-of-the-art technology to protect your data. However, with hacker’s ability to purchase your personal information on the dark web and the hacker’s ability to impersonate you, we have developed these critical alerts to add an additional layer of protection for you. It is our hope that the messages you receive from us will be a result of activity you authorized. However, if you do not recognize the activity described, please contact us immediately. We also utilize multi-factor authentication (MFA) to protect you and your money when you are utilizing our online services.

We believe our Mission Statement says it all: *“The mission of 1<sup>st</sup> Community Federal Credit Union is people helping people achieve their financial goals.”*

1<sup>st</sup> Community was once again a major supporter of the communities we serve. 1<sup>st</sup> Community was again a major sponsor for the D.E.S.K. program in San Angelo in 2025. D.E.S.K. stands for Donate Educational Supplies for Kids. Through donations, an online auction, a golf tournament and other fundraising events, D.E.S.K. was able to donate over \$73,000 in monetary support to S.A.I.S.D. students. We look forward to supporting the communities we serve and most especially you our members, in 2026.

We recently held our 20<sup>th</sup> Annual Recognition Dinner recognizing two employees for their 5-year milestones, one employee for their 10-year milestone, two employees for their 20-year milestones, and two employees for their 30-year milestones. We are fortunate to have such a great staff. We have nineteen employees who have been here between 5 and 10 years; six between 10 and 15 years; five between 15 and 20 years; seven between 20 and 25 years; three between 25 and 30 years; six between 30 and 35 years; one between 35 and 40 years; and two employees over 40 years! The employees are what make your credit union the best Financial Institution it can be.
