How to:

Find Hidden Accounts

STEP 1: LOG IN

Start by logging into your online banking. Confirm that you are in the Accounts View.

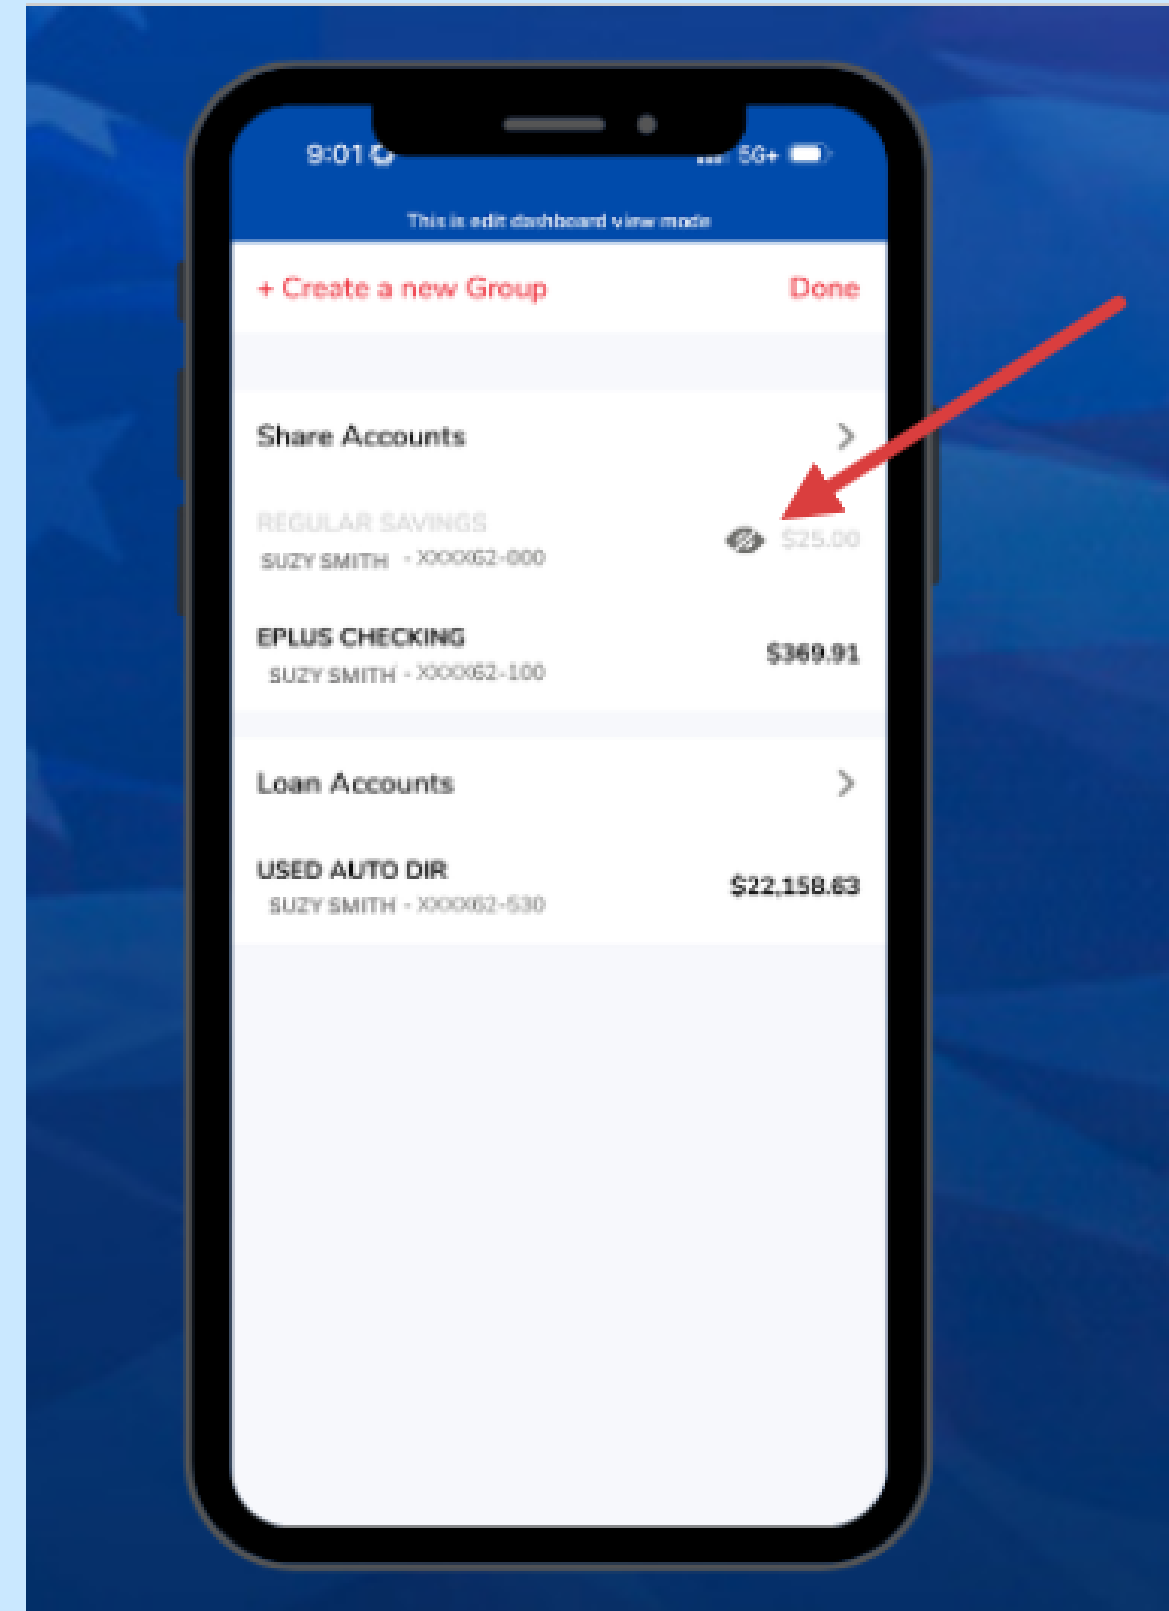

STEP 2: SCROLL DOWN

Scroll down and click "Customize Dashboard"

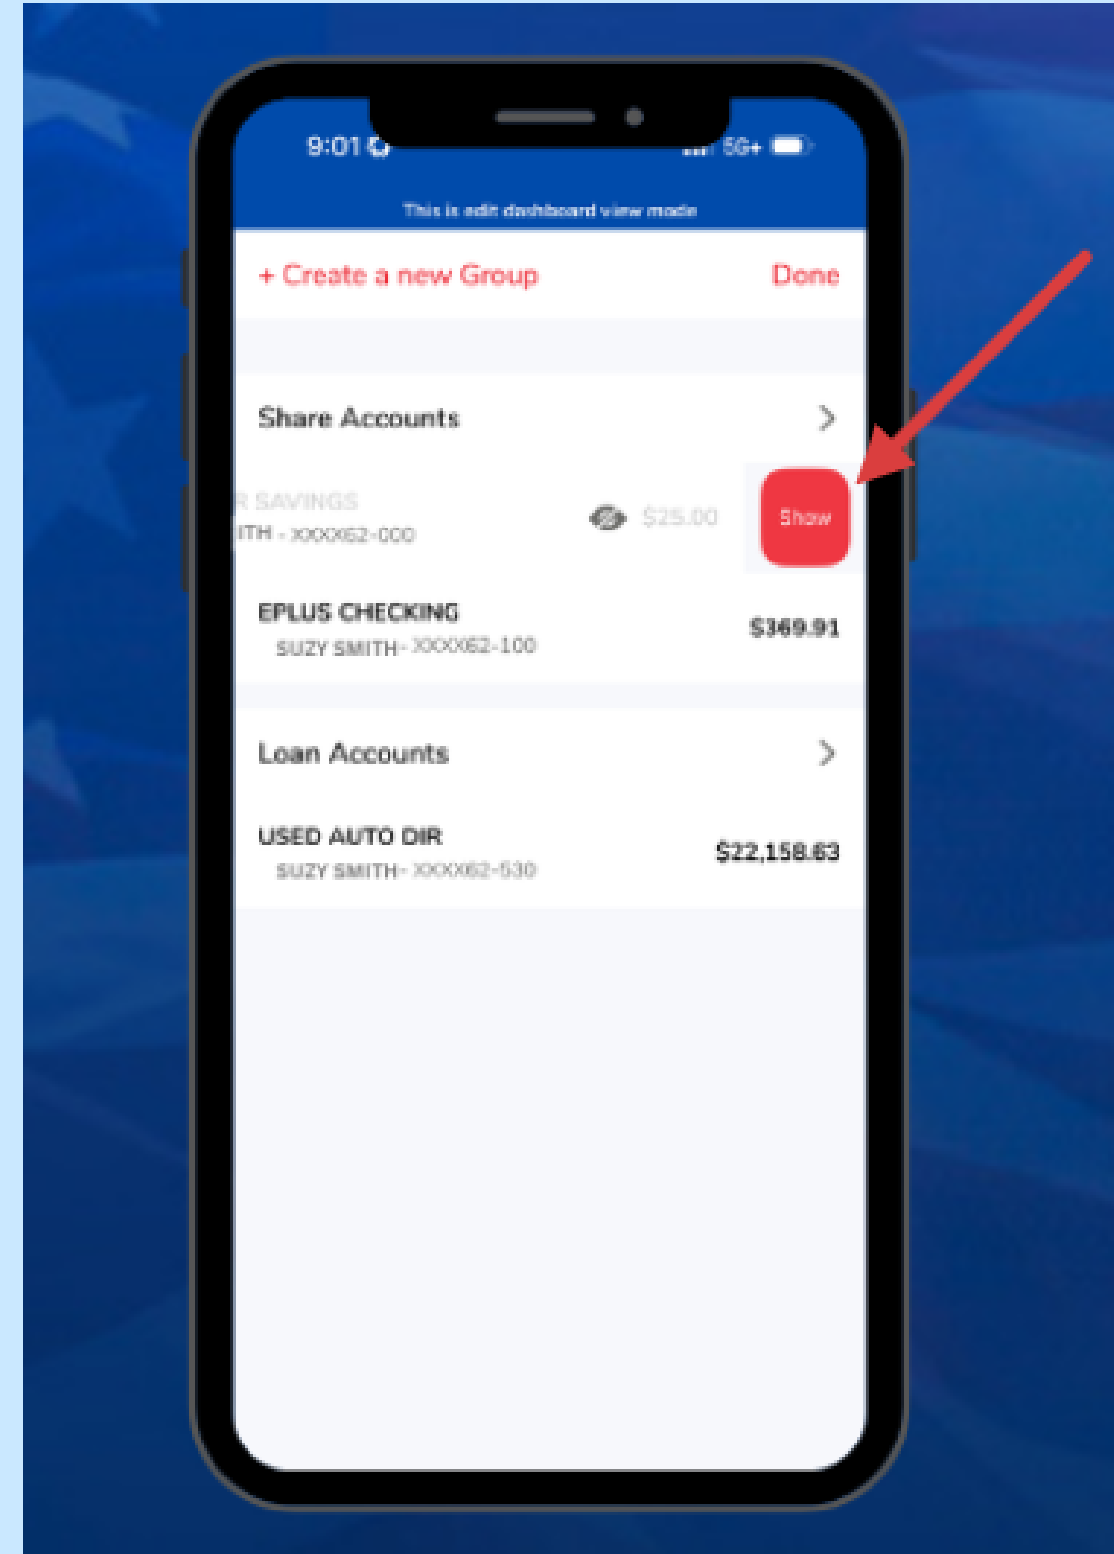

STEP 3: HIDDEN VIEW

If an account is hidden it will show greyed out with a cross through an eye icon.

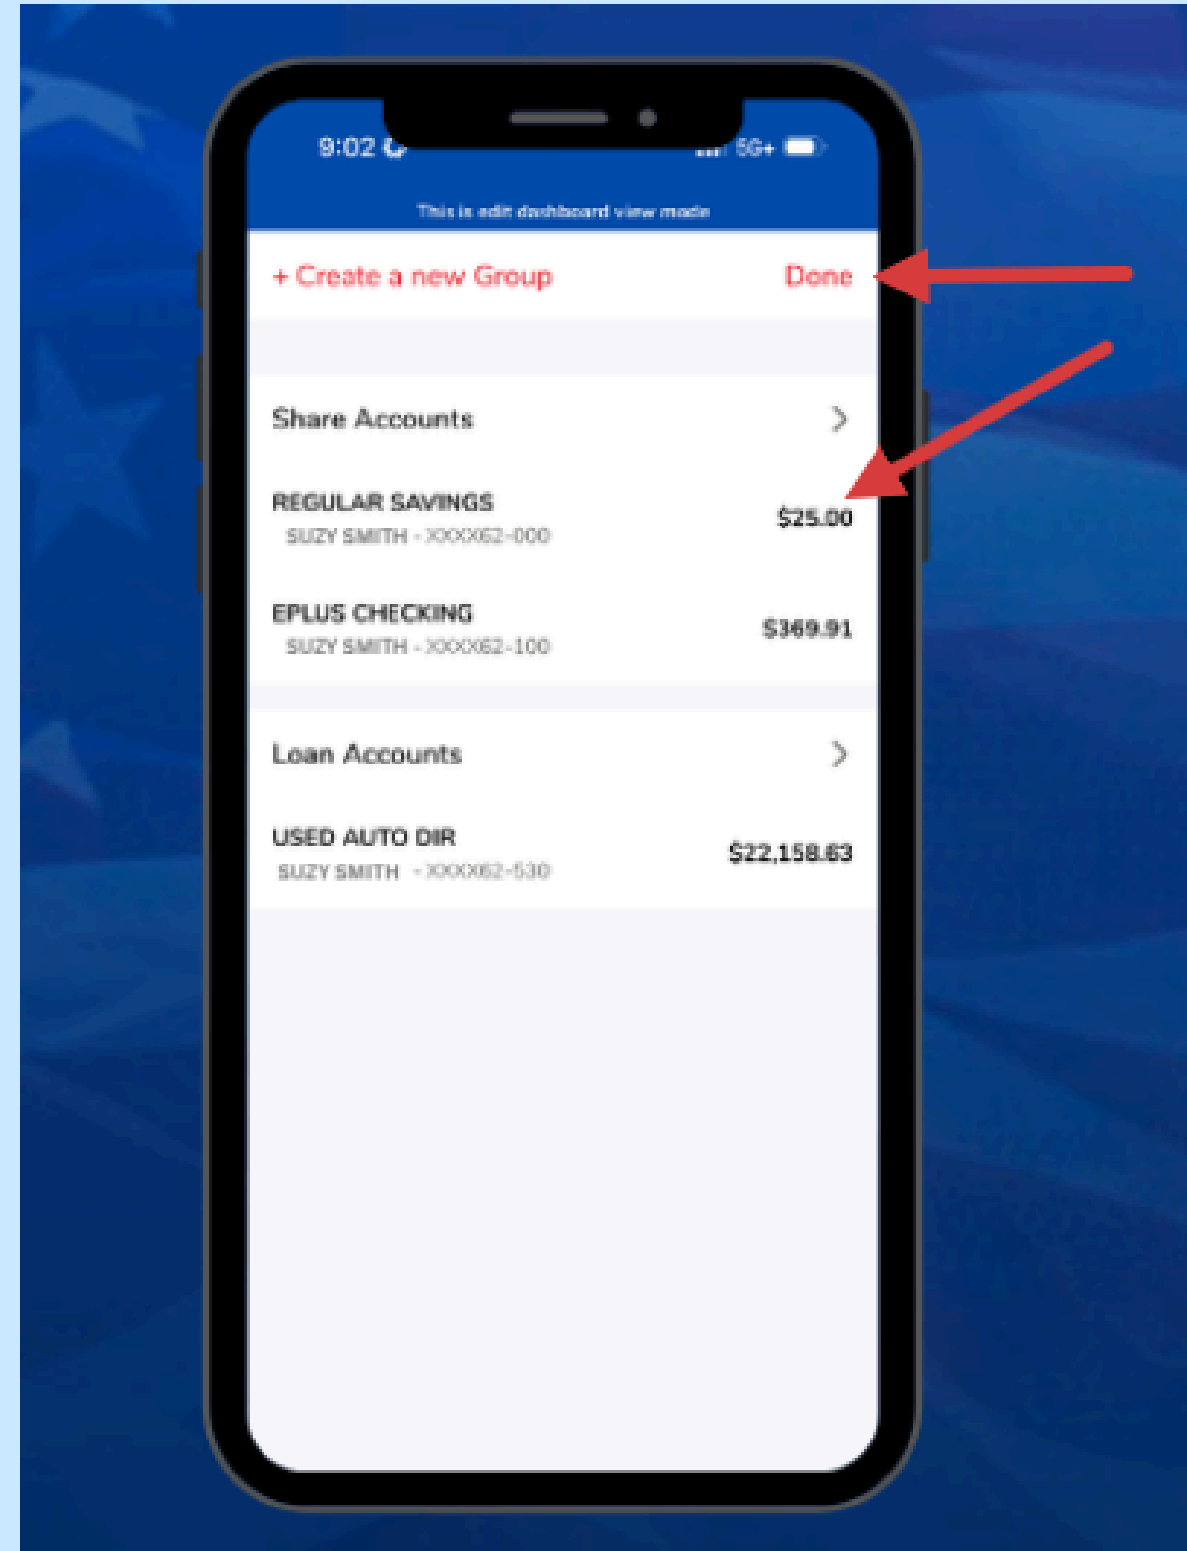

STEP 4: UNHIDE ACCOUNT

To unhide your account, slide left.
"Show" will appear in red. Click to
unhide.

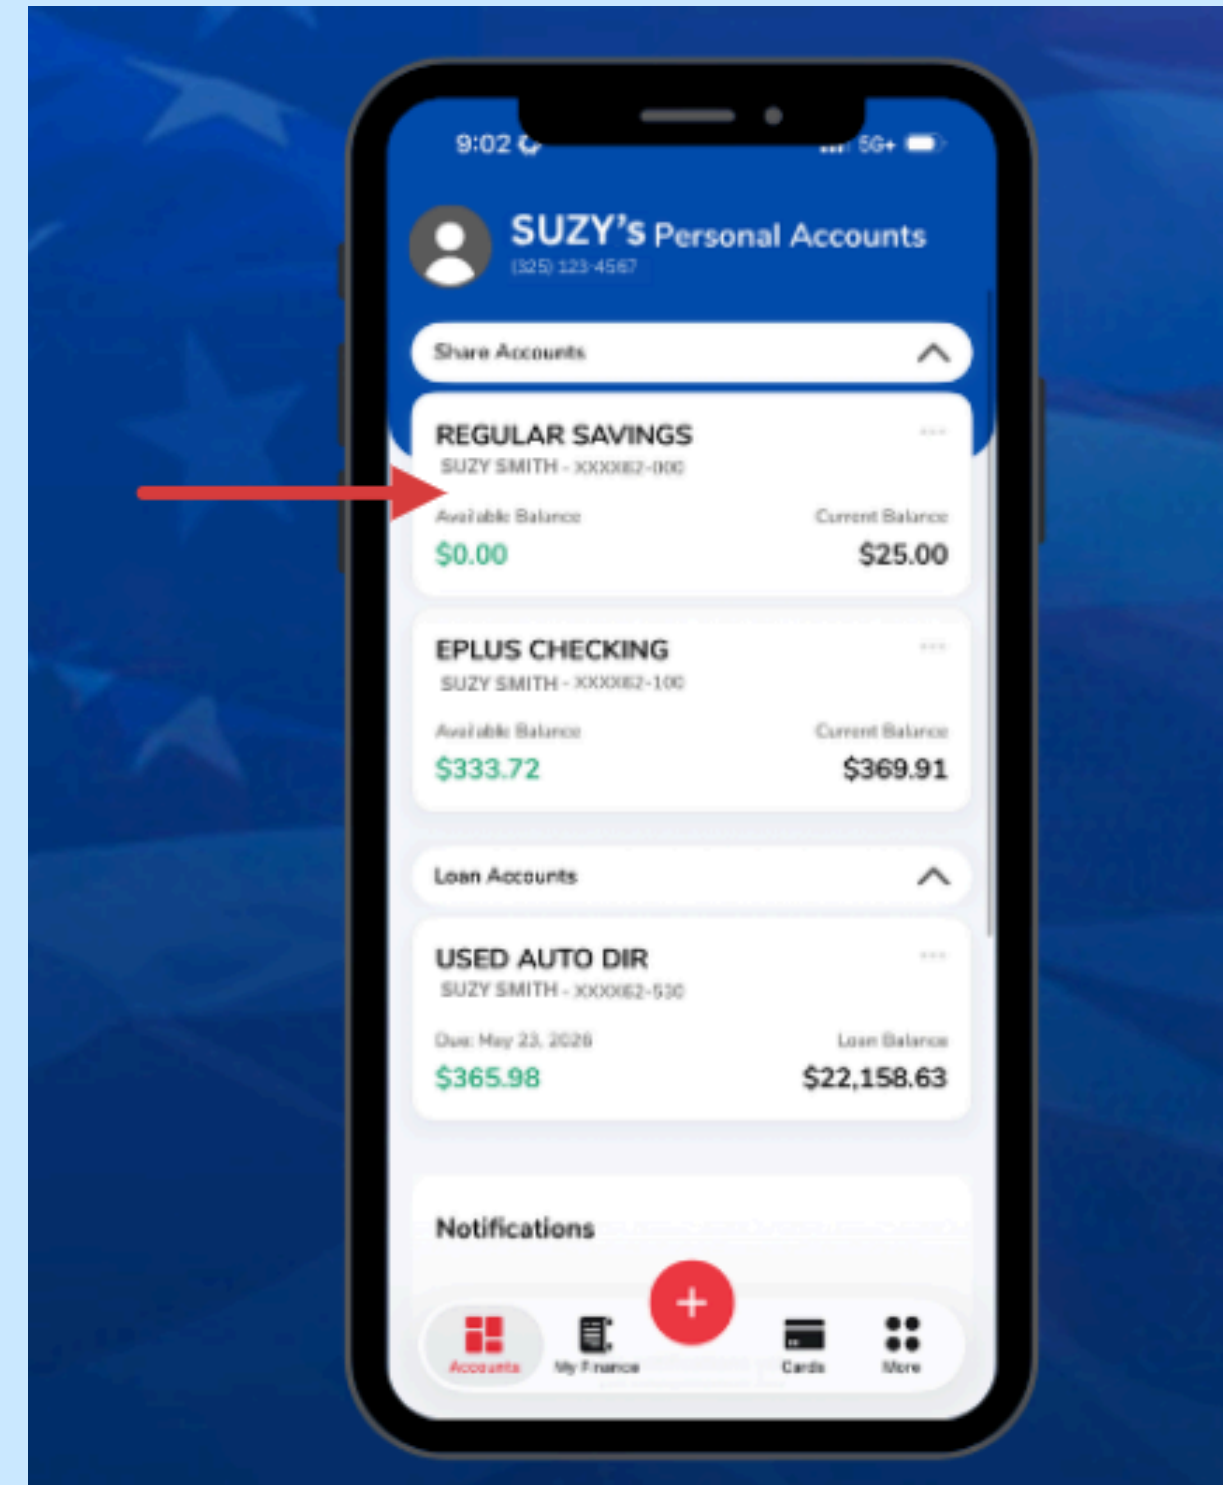

STEP 5: CLICK DONE

The account should now appear in full color, indicating it is now in view. Click done.

STEP 6: ACCOUNT IN VIEW

It will redirect back to your accounts where you will now see your account.
